HOME DEPARTMENT
GANGTOK**

No.108/Home/2010

Dated:29/09/2010

NOTIFICATION

Sub: Showcasing the achievements of Sikkim at National and International level:

Whereas, Sikkim is rich in biodiversity and the Forests department conducts every year flower show. Similarly, Agriculture and Horticulture Department conducts agriculture fair at Saramsa. Sikkim is also emerged as a main pharmaceutical hub in the country. The showcasing of the achievements of Sikkim at National and International level is essential for inviting more investment from private sector in the State.

And whereas keeping this in view, the Government of Sikkim proposes to showcase the achievements of Sikkim by organizing various programmes during the month of February/March 2011 by joining hands together by all concerned departments such as Forests, Agriculture, Horticulture, Animal Husbandry, Industries, Science & Technology and Climate Change, Sikkim Milk Union and SIMFED by convergence of various programmes in a coherent manner. The investor's meet may also be organized concurrently.

Now, therefore, for effective coordination of various programmes in a systematic manner by different departments of the State Government and to take maximum advantage through these programmes for showcasing the achievements of the State, the State Government hereby constitutes a Committee comprising of the following members under the Chairmanship of the Chief Secretary, Government of Sikkim: -

- | | |
|---|----------|
| 1. Shri T.T.Dorjee, IAS
Chief Secretary | Chairman |
| 2. Shri S.T. Lachungpa, IFS
